ROOM PLAN

Superior Room

Superior Siam Wing

Modernity and tradition molds together in this stylistic room. Full of earth-tones and wood, which harks back to the traditional thai home

Superior Sunrise Wing

A surprising take on the "Thai" and modernist style, this is unlike any hotel room ever seen. The bright and warm colors of its decoration is perfect for enlightened relaxation. The room's balcony allows for a full view of the main pool, as well as the beautiful Phuket dawn.

Superior Siam Wing (Ground Floor)

Rooms on the ground floor of the Siam wing, with a private terrace for ambience and relaxation. Isolated and full of amenities. The room offers either a double or a single bed.

Deluxe Room

Deluxe Sunset Wing

Set within the 10-stories main tower, these rooms offer a breathtaking view of the Andaman sea (6-10 Fl.), while some on the lower floors (2-5 Fl.) are well compensated with a pool view. With a four poster bed and separate bath and shower, these rooms were designed with comfort and amenities in mind. The rooms are appropriated into three different themes, encompassing the different ways of life in Thailand.

ROOM PLAN

Suite Room

Junior Suite

Larger and more luxurious, the Junior Suite offers more space and ample room both inside and outside. Apart from the bedroom, the suite also offers a sitting room with a day bed, perfect for those lazy days away from home.

Sunset Spa Suite

Identical to the Junior Suite in all but the balcony, which not only offers more space but also contain a private outdoor Jacuzzi. This room is perfect for those seeking the ultimate luxury in a home away from home.

Sunset Suite

with a wrap-around balcony and a spectacular ocean view, this suite takes full advantage of our beachfront location. By offering the best of Patong beach in the upper floors of the main tower, the room is a must for those seeing peace and harmony between the skies and the sea.
